

## **PARENT RESPONSIBILITIES FOR PARTICIPATION IN ASSISTEENS**

In order to make your child's experience in Assisteens the best it can be, there are certain responsibilities that we ask parents to take on to ensure the safety and success of each teen.

- Parents must serve 10 hours each year in support of Assisteens. This can be achieved many ways.
- Parents are also encouraged to work 3 shifts each year in the Assistance League of Irvine (ALI) Thrift Shop.
- Parents must take responsibility for getting their teen to meetings, philanthropic programs and fundraising activities.
- Assisteens is a unique experience where we don't require your (the parent) membership but the group and your child will benefit from your involvement.
