COORDINATOR'S MESSAGE

Ms. Campbell

Welcome new and returning Assisteens and parents to the 2024-25 Year!

We started off on June 1st with a successful Library Crafts and are now scheduling and planning many upcoming events. Your new Governing Body had its first meeting which included an "In & Out" meal for both this year's and last year's officers. Chairman training will take place on June 15th, so the philanthropy and fundraising chairmen can start organizing events. There are a few events scheduled, but I am expecting that many more will be upcoming now that school is out.

Don't forget that working at the ALI Thrift Shop during the summer is a great way to accumulate hours and help ALI with staffing. For those of you who have not yet volunteered to work at the thrift shop or those of you who need to learn more about using the register, please sign up for a thrift shop training. Assisteens added nearly \$9000 to our account with monthly thrift shop staffing Saturdays. This huge sum allowed us to double the 2024-25 budget and increase spending on our philanthropies. Assisteens' summer staffing also helps out ALI when many members travel and are unable to volunteer.

Be on the lookout for signups! A few upcoming scheduled events include:

July 6 – Library Crafts

July 7 – Beach Clean-up

July 13 – OSB School Supplies packing

July 14 – OC Parks

I usually send out signup emails at least 2 weeks before events, and try to send more than one event at a time if possible. Make sure to check email and junk mail regularly since I am sending two batches of 100+ (parents & Assisteens).

Get ready for Assisteens first meeting of 2024-25 at Irvine Ranch Water District's Duck Club, 15 Riparian View, on Monday, June 24, from 6:00-7:30 P.M. Pizza dinner will be hosted for Assisteens by the 12th grade class. RSVP on Track it Forward.

Looking forward to a good start and great year!

CHAIRMEN REPORTS

Chairman

**KAMRYN
THONGSRINOON**

"Hi Assisteens! My name is Kamryn Thongsrinoon, and I will be in 12th grade this year at Irvine High School. I am looking forward to being your Chairman this year, and I am excited to see Assisteens grow over the course of the year! My favorite philanthropy is Community Outreach, as I chaired the event and will co-chair it again this year. It taught me how to help others and coordinate, as well as making events fun for participants and volunteers. I can't wait to see what events you all participate in this year!"
